NOTICE OF PRIVACY POLICY

Dear Valued Clients and Friends:

As your broker/dealer, we take your privacy seriously. We want you to understand what information we collect and how we use it. We collect and use "nonpublic personal information" from our customer account forms to help us determine suitability for certain investments, as a tool in obtaining your investment objectives, and to satisfy the requirements of various regulatory agencies that govern our broker/dealer.

We may need to share "nonpublic personal information" about you or your account with exempt third parties with which you have a relationship (i.e. your accounts held by Wedbush Morgan, Delaware Charter and mutual fund companies, where JDL Securities is the introducing broker, professional money managers or investment advisors, etc.). We do not disclose any information to non-exempt third parties.

The only exception we make for our clients is when you request that we exchange information with your accountant, estate planning attorney or family member(s). In this case we ask that you put your authorization in writing and/or update your Customer Account Form with the names of your professional advisors and family members that you allow us to work with.

We maintain physical and electronic safeguards to protect your nonpublic information from outside access.

If you have any questions regarding our privacy policy, please contact us at 949/752-5206. Thank you for your business and the confidence you have placed with our firm.

Sincerely,

J. Derek Lewis
President
